MANISH MEENA

Third-Year B.Tech IT Student

Phone: 8955628374 | Email: contact@manishmeena.in

Location: Jaipur, Rajasthan | Portfolio: ManishMeena.in

PROFILE SUMMARY

Third-year B.Tech Information Technology student at Rajasthan Technical University with project-based experience planning web platforms, browser-based utilities, and productivity tools. Interested in applying technical knowledge, communication, and teamwork to support campus initiatives. Organized and approachable, with a practical problem-solving mindset and a fair, responsible approach to coordination and maintaining a respectful campus environment.

EDUCATION

Bachelor of Technology (B.Tech), Information Technology | **Third Year**

Rajasthan Technical University

CORE SKILLS

- Communication and teamwork
- Responsibility and fair decision-making
- Coordination and time management
- Problem-solving and initiative

TECHNICAL SKILLS

Web Development: HTML, CSS, JavaScript fundamentals, responsive design • Website Planning: page structure, navigation, UI/UX basics, SEO fundamentals • Project Work: feature planning and student-focused information design

PROJECT EXPERIENCE

Browser-Based Developer Utilities | *Personal Web Tool Projects*

- Planned utility workflows for tools such as JSON formatting, HTML/CSS formatting, image conversion, and QR-code generation.
- Considered responsive layouts and clear input/output flows to make browser-based tools easier to use across devices.
- Applied web-development fundamentals and UI/UX principles to organize features and improve usability.

Famral - Web Tools and Productivity Projects | *famral.com*

- Worked on planning a family of web-based tools and productivity products, considering feature requirements, usability, and user-facing content.
- Explored page structure and interface ideas for browser-based tools, online utilities, and digital workspace features.
- Developed product and feature concepts for online document, presentation, spreadsheet, notes, and other browser-based tools.

JEE Rank Predictor / College Guidance Project | *jeerankpredictor.com*

- Contributed to planning student-oriented college and rank-prediction resources to help learners explore admission options.
- Focused on organizing useful college-guidance content so students can understand options and continue their admission research.

COUNCIL CONTRIBUTION

- Council Executive: ready to coordinate student initiatives, communicate updates clearly, and help activities stay organized.
- Discipline Lead: committed to applying expectations consistently, handling concerns calmly, and supporting respectful conduct fairly.
- Teamwork: willing to listen to student concerns, work with council members and faculty, and seek constructive solutions.
